# Summer memories

Electronics Europe GmbH (TEE) offers the must-have tech gadget of this summer: an external Canvio hard drive. When your travels lead you to stunning places, you need a safe place to store all the impressions.

Life while travelling is full of adventure. Every day there are memories to save and new experiences to report on. Make space for new moments in your smartphone's and camera's memory and secure the best souvenirs of your travels without fear of losing the files you care about. You can trust your Toshiba Canvio Premium, Canvio Advance or Canvio Basics to keep your data safe.

With special password security software, the Canvio Premium and Canvio Advance give you the peace of mind that you will be the only person able to access your data during the trip.

The Canvio Premium is available with aluminium casing in dark grey or silver metallic and up to 3 TB of capacity.

extended warranty and a velvet pouch for stylish transport. It also can be purchased as Canvio Premium for Mac model.

The Canvio Advance is the easy-to-use storage solution for people who look for inner values and outer beauty: up to 3 TB of portable storage packed into a sleek and solid casing in white, blue, red or black. Backing up your files also is a breeze, thanks to practical features, including the downloadable backup software and security software.

With the Canvio Basics, available in black, it's easy to keep your memories safe and revisit them in clear detail later. Quickly transfer files with SuperSpeed USB 3.0 and store up to 3 TB of data on the ready-to-use Canvio Basics. Whether at your desk, or on the go, its timeless design with the matt finish means it'll always look good.

***What are you waiting for? Your bags are packed – protect your summer memories as you would with your skin and load up with memories!***
